Duration:	<p>maximum of 3 min. 10 sec.</p> <p>The time must be reckoned from the moment that the Team begins a skating movement (glide) until arriving at a complete stop at the end of the program.</p>
<u>2.5 ARTISTIC FREE SKATING</u>	
This competition will be held individually for men and ladies.	
<u>(Q) Category Interclub «Gold Artistic Free»</u>	
<p>The artistic program consists of a variety of skating moves selected for their value in enhancing the skater's interpretation of the music rather than for their technical difficulty. Skaters will be judged on their ability to interpret the music and develop a theme by using their skating skills.</p> <p>Das artistic program is a competition which must contain the following figure skating elements:</p>	
Jumps:	At least one (1) but a maximum of two (2) single jumps. No axel jump or double jumps are allowed.
Spins:	At least one (1) but a maximum of two (2) spins MUST be included.
There will be no special scoring for skill levels of jumps and spins. These elements will only be judged depending on how they promote the artistic interpretation of the music.	
The program must be developed through skating skill and quality rather than through non-skating actions such as sliding on one knee or excessive use of toe steps which should be used only to reflect the character of the program and to underline the rhythm and nuances of the chosen music. The skater must not remain in one place for more than five (5) seconds.	
Costumes should be simple, tasteful and selected to enhance the performance by appropriately reflecting the character of the music and theme.	

<p>Props may not be used in any part of the artistic programs. Any item that is held in the hand or removed during the performance is considered a prop. Thus, for example, a hat worn throughout the program is not considered to be a prop, but if it is intentionally removed during the performance it is considered a prop. Objects on the ice, thrown in the audience, placed on the boards or on the judges table are not permitted. Costumes that contain particles that may mar or leave anything on the ice surface (feathers, boas, excessive beading) are considered unsafe and are not permitted.</p>	
Components:	The artistic event will be judged only on the basis of Presentation Components (program components):
	<ul style="list-style-type: none"> • Skating skills • Transitions • Performance/Execution • Choreography/Composition • Interpretation/Timing
Illegal elements:	Somersault type jumps Lying on the ice and prolonged and/or stationary kneeling on both knees on the ice
Deductions:	Each element which will be performed more than the maximum number of times indicated above counts as invalid element with a deduction of 2.0 points; missing mandatory elements as listed above result in a deduction of 2.0 points. The judges decide on the individual deductions.
Rating:	There will not be a technical panel and no technical rating (see special rules and technical rules ISU 2008, single and pair, rule 522, paragraph 2 for details). The specific rules can be found on the ISU website.
Music:	Vocal music is permitted.
Duration:	The maximum time is 1 min. 40 sec., but may be less.
<u>(R) Category Interclub «Adult Artistic Free»</u>	
The technical requirements are identical to category «Gold Artistic Free».	

2.6 SHOWPROGRAMM – Duration: maximum time 3.10 Minuten, but may be less.

(S) Interclub Masters

(T) Interclub Adult

(U) Interclub Show-Duo

This category is open to any kind of pairs (woman/man; woman/woman; man/man).

(V) Interclub Show-Gruppe

This category is open to any kind of person

The objective of the show program is the interpretation of a musical theme on the ice in an individual, original and creative manner. The costume as well as make-up, accessories and props are allowed to be used for this purpose. But they should not be given priority. The maximum assembling time for props is 1.00 min. Only two extra persons are permitted. The use of vocal music is permitted. Jumps and spins are principally regarded as means of interpretation. A maximum of three jump elements is authorized. In category II skaters are only allowed to perform single jumps. There are no further limitations as far as skating elements are concerned.

The performance will be assessed by using of components:

Skating Skills 1,6

such as technical quality of the elements like jumps and spins, the use of edges, the ability of gliding and the flow, the diversity

Transitions 1,0

such as the difficulty and the quality of the transitions, of the steps and of the step connections

Performance 1,6

such as the carriage, the emotional involvement of the skater and his connection to the audience

Choreography 2,0

such as the conception, the variation of the speed and the ice coverage. Special credit will be given for originality and for innovative skating.

Interpretation 2,0

such as the power of expression and the consistency of the program, the expression as well as the musicality

For missing or illegal elements, falls, prolonged time deductions of 1,0 points will be made.

3. Calculation of the Results

Cup of Germany

The calculation of the results will be done according to the rules of the New Judging System. The judges will be invited by the Federal Skating Association of Saxony.

Cup of Europe

The final classification in every category will be calculated by summary of points obtained by the athletes in the competitions "Cup of Germany for Adult Skaters" and "International Swiss-Trophy for Adult Skaters".
